RE: RCRA EPA ID number: AZR000508903 is assigned to:

FUELS LLC
203 S 23rd St
Phoenix, AZ 85034-2503

Your facility is listed as: Not a Generator, Used Oil Transporter.

This EPA ID number is site-specific and is to be used for the regulated (RCRA) waste activity at the above site only. If there are any changes to the information regarding the above site submitted on the EPA RCRA Subtitle C Site Identification Form (Form 8700-12), you must notify Arizona by sending a new 8700-12. Each section of the 8700-12 must be filled out completely.

If your facility has a change of location, do not use the EPA ID number assigned to this location to manifest RCRA waste at the new location. Before generating RCRA waste at the new location, you must apply for an EPA ID by sending an 8700-12 for the new location. Your new location will be assigned an EPA ID number specific to that site.

In the future if your facility's RCRA waste activity at this site stops because of closure or change of location, then send a letter requesting deactivation of the EPA ID number assigned to this location. The deactivation letter should be on company letterhead. Include the following information regarding this location: the EPA ID number to be deactivated, name of facility, location or address of facility, the date that regulated waste activity stopped, and an original ink signature.

If you have any questions, or need assistance, please contact Dee Woodard at (602) 771-4232.

Sincerely,

Dee Woodard
